and in **HINDSIGHT**.....would you have changed the holes you chose to eliminate?? Not these winners:

### Flight #1

1<sup>st</sup> Pl Sue Podczerwinski 56 and a personal best of 80

2<sup>nd</sup> Pl Tura Resavage 61

### Flight #2

1<sup>st</sup> Pl Kris Woodruff 61

2<sup>nd</sup> Pl Lynn Curtis 64

And only fitting for 2020 is the **BOOBY PRIZE** to Laura Fulton who added her front and back net scores (32+39) for a total of 81...the highest score of the day. She thereby saved the actual highest person from being named here. Of course, 32+39 actually totals **71**..... Good job Games Committee person! You certainly put a doubly perfect ending on a disastrous 2020! (see picture below)

Did you actually hit it??
